ABOUT THE HALO BALL

The Halo Ball started out as Sydney's first fundraising event for women and children affected by domestic and family violence. Now in its second year, the Halo Ball will continue to raise vital funds for this incredibly worthy cause.

Domestic violence statistics in Australia are confronting yet they only touch the surface of the true experience of women and children affected.

BaptistCare has been providing domestic and family violence services for over 30 years, with a proven track record in supporting women and children who are impacted by abuse. These services include crisis accommodation and medium-term housing, emergency finances and no-interest loans and specialised counselling and group support for families who are rebuilding their lives.

But there is more need than we can respond to.

We believe that lives can be transformed and that deep change is possible for our nation and vital for the future of our communities and our families.

We invite you to join us at the Halo Ball so together we can help to end the cycle of abuse and respond to Australia's domestic and family violence crisis.
